FARMWORKER HOUSING

WEBINAR SERIES

TUESDAYS

12 NOON MOUNTAIN TIME

A collection of in-depth conversations with leaders in farm labor housing development, featuring success stories and proven strategies from both within and beyond Indian Country.

Hosted by **Roger Fragua**, Executive Director of the Flower Hill Institute, this webinar series highlights innovative approaches, practical lessons, and community-driven models for building farmworker housing that supports the people and food systems of tribally governed territories and surrounding regions.

Sponsored by the Native American Agriculture Fund
